

### **REMARKS**

This is in full and timely response to the non-final Action of October 11, 2006.  
Reexamination and reconsideration are respectfully requested.

#### **Priority Claim**

It is noted with appreciation that the claim to priority and receipt of the priority documents are acknowledged.

#### **Drawings**

The drawings as filed were accepted.

#### **Information Disclosure Statement**

The information disclosure statement at filing was initialed and returned with the Action indicating that the documents there submitted had been considered by the examiner.

#### **Claims**

Claims 1 to 12 were presented in this application for its initial examination. Claims 11 and 12 were allowed and are retained unamended.

Claims 6 to 9 were included in a group of claims that were merely objected to. It is noted that claim 6 was presented in independent form. Accordingly, original claims 6 to 9 are allowed.

Claims 1 and 10 were rejected as stated at section 3 on page 2 of the Action. Without indicating agreement with or acquiescence in the statement of the rejection, these rejected claims are canceled without disclaimer or prejudice.

Claims 2, 4, and 5 were presented in dependent form dependent on claim 1 and indicated to be allowable if rewritten. Accordingly, the subject matter of canceled claim 1 is migrated to each of these dependent claims so that claims 2, 4, and 5 are allowable. Claim 3 was rejected, but it is amended to depend from allowable claim 2 rather than rejected claim 1; thus claim 3 is also allowable.

Conclusion

Claims 2 to 9, 11 and 12 remain in this application and are thus allowable. Claims 1 and 10 are canceled. In view of the above amendment, applicant believes the pending application is in condition for allowance.
